Dear Friend:

Greetings from **The Smile Train**. I greatly appreciate the opportunity to tell you more about our mission and to encourage you to consider supporting the Smile Train fundraiser being held by Little Lamb Kidz. For every Halo t-shirt that is old, 10% of the proceeds will be donated to Smile Train.

The Smile Train is dedicated exclusively to helping the millions of children with cleft lip and palate deformities. Since 1999, we have provided free cleft surgery for over 600,000 children. But there are millions more who need our help.

It is estimated that each year approximately 200,000 children are born with cleft lip and palate. Only a fraction of these children will receive the necessary medical care they so desperately need to lead productive lives. The cure for cleft is a relatively simple surgery that can take as little as 45 minutes and can cost as little as \$250. Our federal tax ID number is 13-3661416.

Working together, we can make a difference in the future of children who need a second chance at life. Working together, we can empower communities and change the world...one smile at a time. With appreciation,
